

# CONNECT GROUP RESOURCES

- **RightNow Media**

RightNow Media is a huge library of faith based videos and series. Their continually expanding library is filled with Bible studies and video resources from well known speakers like Francis Chan, Andy Stanley, Louie Giglio and Craig Groeschel on topics such as marriage, leadership, finances, recovery, and how to read your Bible. They also have a kids section. You can access this resource for free under the Anchor Church subscription [HERE](#).

- **You Version**

Also known as the Bible App, this is a great resource not only to grow individually in the Word, but also as a Connect Group. There are devotional studies that you can do as a group on almost any topic you can think of.

- **Story Cards**

Created by North Point Ministries, these cards are meant to be used as an ice-breaker activity or a way to get your group talking. Please enjoy this resource that we've provided for you in your leader box.
