## CONNECT GROUP STUDY GUIDE

**TRUTH:** God has blessed you with relationships. Whether it's your spouse, family, or close friends, they are all gifts from God. God has given them to you, but it is your responsibility to keep those relationships healthy. Even when some relationships break down, there is still a possibility of restoration through repentance and forgiveness.

### PEOPLE:

- How does knowing you are entrusted with relationships affect the way you view them?
- In what ways are doing well with the relationships you are entrusted with? How can you improve?
- How do you struggle with the tension of being right or being in a relationship?
- Have you ever had to restore a relationship? How did that go?
- Is there a relationship in your life that needs restoring?

**PRAYER:** Pray for the restoration and reconciliation of the relationships that were shared.
