## CONNECT GROUP STUDY GUIDE

**TRUTH:** Jesus teaches us that the pure in heart will see God. He does not say that perfect people will see God. He says it is the PURE in heart. We must remember this as we strive to guard our hearts and remove the things that make us impure.

### PEOPLE:

- Through your own personal experiences, how would you distinguish the difference between pure and perfect?
- How would you define your personal relationship with God?
- What is something in your life right now that you would consider an impurity, and how would you deal with it?
- Why is forgiveness an important factor when it comes to having a pure heart?

### PRAYER:

- Pray that God would give you the courage to address parts of impurity within yourself so that you may see Him more clearly. Pray for a fresh wind of faith to believe and receive the free gift of forgiveness that He has for you so that you can know His love and share His love with others.
