## CONNECT GROUP STUDY GUIDE

**TRUTH:** The peace the world gives is determined by circumstances and environment. What makes God's peace different is that it is not determined by any outward factors. God's true peace is found in welcoming the Holy Spirit's presence and guidance in your life.

### PEOPLE:

- . Why is it important to see God's peace as a gift?
- . How good are you at praying to God about everything you worry about?
- . Have you experienced God's peace in a decision you had to make? Describe your experience.
- . What areas of your life are you anxious about?

**PRAYER:** Pray for those who shared their anxieties that they would receive the gift of God's peace.
